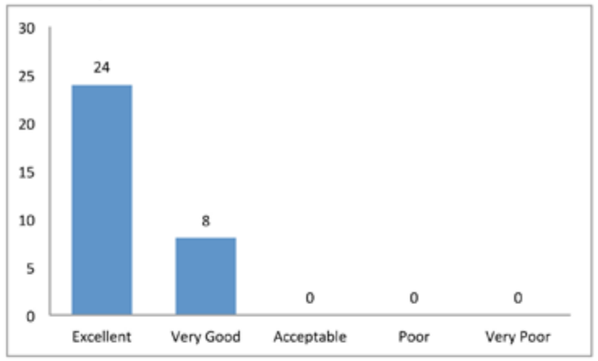
Ms Stella Vig: Consultant Vascular Surgeon & DAPS Clinical Lead, Croydon University Hospital

Logistics

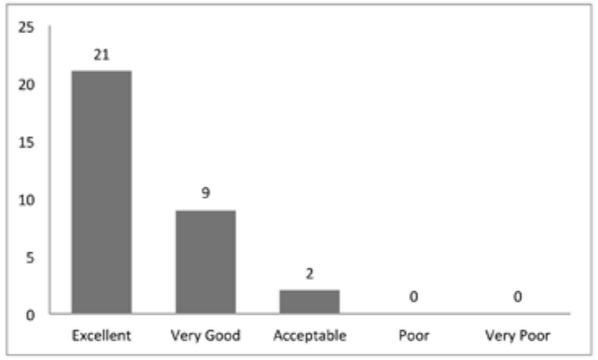
The following graphs demonstrate the results from feedback about the Summer School regarding the logistics of the School by 32 participants

The x-axis lists the possible responses that the participants could select from and the y-axis demonstrates the responses they made.

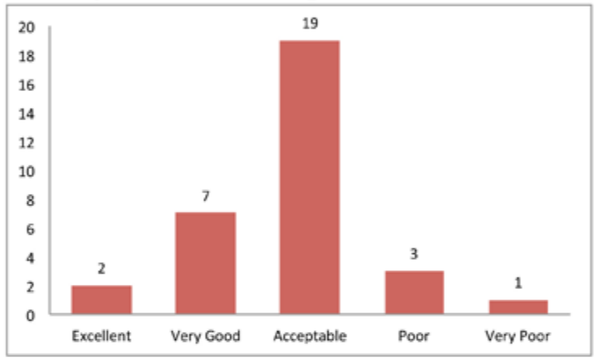
What did you think of the Summer School overall?



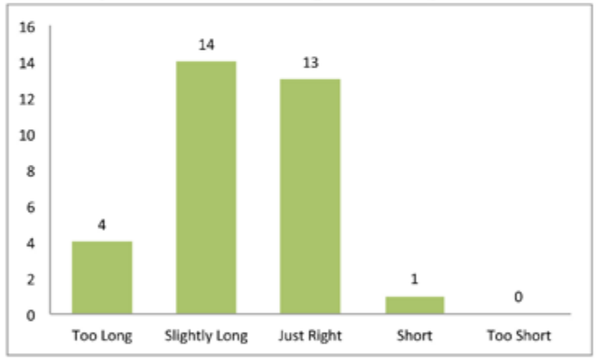
What did you think of the conference facilities?



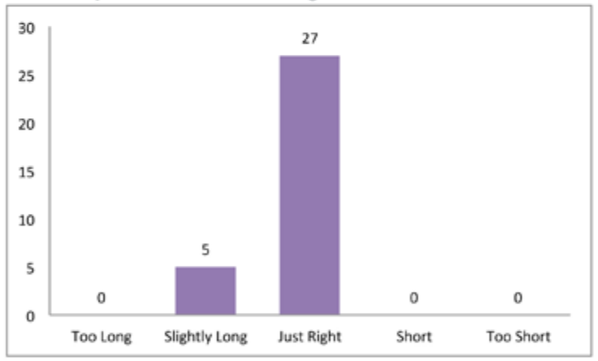
What did you think of the catering?



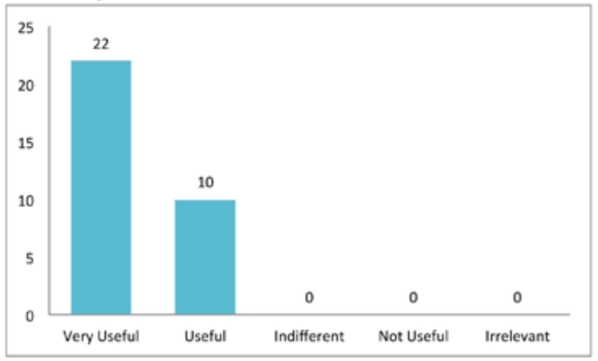
What did you think about the length of the day?



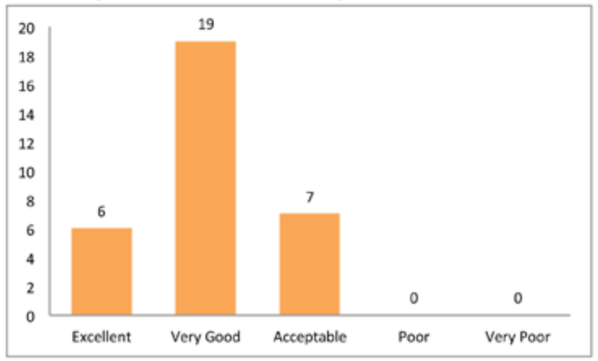
What did you think about the length of the sessions?



What did you think about the usefulness of the sessions?



What did you think about the Participants' Pack?



Sessions

Participants were asked to rate the sessions from one to five where a score of one was poor and a score of five denoted excellence.

The average score from the feedback is provided next to the session.

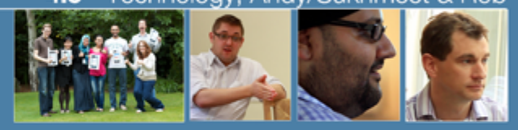
5

All groups were asked to produce the new 'killer' iPhone app for healthcare

Andy & Sukhmeet delivered a session on engaging patients in improving care

Rob delivered a session on engagement of groups in QI

4.5 - Technology, Andy/Sukhmeet & Rob



The groups had to design a national campaign around a topic of their choice

4.6 - Campaigns

Stella delivered a session on leadership and how it related to the participants

4.4 - Stella

4.3 - Sarah

Sarah delivered a session on engagement of colleagues in QI

4

All participants had to deliver a 3-minute presentation on a QI project they had done

4.1 - QI Presentations

3.8 - Problems

Each participant was asked to bring a problem which was discussed in groups

A session on looking at existing interventions and how to maintain them

3.6 - Quality Accounts

Re-Attend

All 32 participants were asked if they would attend a Summer School again. **31** said that they would and **1** said that they probably would given there were new opportunities

'Thank you for the Summer School, it has been one of the most memorable experiences of my life!'

'Was the most exciting and creative conference I've been to'

'Just wanted to thank you again for such an inspiring and outstanding weekend. I loved being creative and looking at ways to improve our care and practice and how to go about it. It was sad that it ended, but wonderful to meet such fantastic people.'

'If I had the opportunity to attend again, I absolutely 100% would. I've already thought about making sure I can get the days off, so that I can book the leave a year in advance...'

'I would definitely attend again, because every year brings new ideas and there's so much to be learnt from that...'

Feedback Cloud

This feedback cloud has been generated by comments made by participants on their feedback forms.
